

# Over You

Honor Society

Got another question that I need answered  
But you won't speak to me  
Got another problem that I need solving  
When are you gonna see?  
Don't act like you don't care  
Cause I know you do, yeah you do

But I just can't figure it out  
I'm not over you {over you}  
And I just can't leave it alone  
I'm not over you {over you, over you}

What happened to the days  
When I knew all the ways to make your body move  
Tried to get it back  
But the distance grows, I know you feel it too  
I can't act like I don't care  
Cause I do, yeah I do

But I just can't figure it out  
I'm not over you {over you}  
And I just can't leave it alone  
I'm not over you {over you}  
And you just won't pick up the phone  
I'm not over you {over you}  
And I know I'll never get through  
I'm not over you {over you}

Ripped up the pictures of you and me  
I tried seeing other girls {girls}  
But they were just a distraction  
Never the same attraction {attraction}  
Going crazy over you

But I just can't figure it out  
I'm not over you {over you}  
And I just can't leave it alone  
I'm not over you {over you, yeah}  
And you just won't pick up the phone  
I'm not over you {over you, I'm not over it}  
And I know I'll never get through  
I'm not over you {over you}

No, I'm not over you, I'm not over you  
I'm not over you {over you}  
I'm not over you, I'm not over you  
I'm not over you
