

Spread The Love

Honor Society

Snowflakes falling from the sky
Light a fire. And stayed inside
If I could I would stop time
Take a picture in my mind

Cause everyday feels like a holiday with you
We shouldn't save the love until the year is almost through
Cause one thing we can do

Spread the love, all year long.
Don't wait til December comes around
Cause everyone needs some love all year long
Don't wait til December comes
Don't wait til December comes

A gift to give couldn't be more clear
Give the gift of love make it last all year

Cause everyday feels like a holiday with you
We shouldn't save the love until the year is almost through (Oh
no)
Cause one thing we can do

Spread the love, all year long.
Don't wait til December comes around
Cause everyone needs some love all year long
Don't wait til December comes
Don't wait til December comes

Spread the love, all year long.
Don't wait til December comes around
Cause everyone needs some (everyone needs some love) love all y
ear long
Don't wait til December comes (Don't wait, Don't wait)
Don't wait til December comes
