

This Bed Is An Ocean

Honor Society

Late at night I can't fall asleep
My body's twisting in the sheets
You're the girl I want
I see you in my dreams
I can't wait 'til I fall asleep

Cuz I don't wanna be without you anymore
You're sending mixed signals
I didn't think I was far from shore
Now I'm caught up in the moment

I'm thrown overboard
I'm drowning
Lost without a lifeline
It's high tide
And I am sinking

I want you to rescue me
I want you to rescue me
I want you to rescue me
Cuz this bed is an ocean

Morning comes creaping like a thief
Stealing all my dreams from me
The lady in my life
She's just a fantasy
I'm so lonely it's killing me

Cuz I don't wanna be without you anymore
You're sending mixed signals
I didn't think I was far from shore
Now I'm caught up in the moment

I'm thrown overboard
I'm drowning
Lost without a lifeline
It's high tide
And I am sinking

I want you to rescue me
I want you to rescue me
I want you to rescue me
Cuz this bed is an ocean

I want you to rescue me
I want you to rescue me
I want you to rescue me
Cuz this bed is an ocean

I'm treading water
I never thought it would get this deep
I see you above me
I can't believe it was you who pushed me over

I'm thrown overboard
I'm drowning
Lost without a lifeline

It's high tide
And I am sinking

I'm thrown overboard
I'm drowning
Lost without a lifeline
It's high tide
And I am sinking

I want you to rescue me
I want you to rescue me
I want you to rescue me
Cuz this bed is an ocean

I want you to rescue me
I want you to rescue me
I want you to rescue me
Cuz this bed is an ocean
