

Wherever you are

Honor Society

I've been around the world
I've seen a lot of faces
but I've never seen one like you
No i've never seen one like you
I heard you're hard to handle
but I was never one to gamble
but I wanna roll the dice on you
I wanna roll the dice on you
on you

Can you tell that look in my eyes?
This should come as no surprise
I just wanna get close to you
just wanna close to you
even though I'm going away
my heart's gonna wanna stay
so what am I suppose to do
tell me what am I suppose to do
cause I wanna be
wherever you are
said I wanna be
wherever you are
cause I need to be
wherever you are
wherever you are
cause I wanna be
wherever you are
said I wanna be
wherever you are
cause I need to be
wherever you are
wherever you are

So we could take
a trip to France
so we can talk about romance
and I don't even have to say
but i can show you
the best of New York
and L.A.
All the places we can go
but I really gotta know
would you follow me down
all the way down
the rabbit hole?

Can you tell by the look in my eyes?
This should come as no surprise
I just wanna get close to you
just wanna close to you
even though I'm goin away
my heart's gonna wanna stay
so what am I suppose to do ?
tell me what am I suppose to do
cause I wanna be
wherever you are
said I wanna be

wherever you are
cause I need to be
wherever you are
wherever you are
cause I wanna be
wherever you are
said I wanna be
wherever you are
cause I need to be
wherever you are
wherever you are
