

Lucky

Hoobastank

I knew how it felt to be another one in need of someone to show
the way
Until you saw a part of me that nobody else
Could see and my life hasn't been the same...

You make me feel lucky as I can be...
You make me feel lucky as I can be...

Before I couldn't get a break,
Never had a chance to make
The impressions I want to
But now it falls right into place
When I get to see your face
Then there's nothing that I can't do...

You make me feel lucky as I can be...
You make me feel lucky as I can be...

No more dark days, only sun rays
No more hard ways with you today

You make me feel....

You make me feel lucky as I can be...
You make me feel lucky as I can be...
