

# We Are One

Hoobastank

In your darkest hour  
In your time of need  
When all is lost around you  
Beside you, is where ill be...

We are one, we are everyone I promise you are never alone  
We are one, we are everyone I promise you i'll never let  
go  
We are one...

When your heart is empty  
When the fire is dying  
And there's nothing left to fight for  
I'll be there, by your side

We are one, we are everyone I promise you are never alone  
We are one, we are everyone I promise you i'll never let  
go  
We are one...

Together we laugh, together we cry  
Together we fall, together we'll rise  
Together forever, never goodbye and i'll tell you why

We are one, we are everyone...
