

## Nolan Ryan

Hoodie Allen

Okay I don't really mean to be superficial  
Don't wanna talk about the women and the money I got  
But getting beautiful women is not the issue  
Cuz the women only coming when the money is hot  
Id rather be living my dreams than be living a lie, homie everywhere  
u going u be killing the vibe  
Its like u walk in the room and the people get quiet  
We aint talking bout u we just wanna be private  
My shit's fly like a personal jet, i'm earning respect from every sin  
gle person I met,  
U always looking in the mirror you should learn to reflect  
You old news all we rap about it is current events  
So if you started having doubts about ur relevance  
Change ur name to my name for the hell of it, so u can reap the benef  
its  
Of being fuckin jealous i'm the only one in the damn room like an ele  
phant

Tell me im fire I'm better than that, say im a liar I never been that  
, Homie keep trying, ur wallet is on a permanent diet cuz its never b  
een fat  
That shit is science my shit apply every to mothafucka out there who  
try  
U should retire blame it on tommy and cry to ur mommy u never been fl  
y  
Rappers pretending its all black and white but I aint got time for th  
at clean shit  
Oh you'd rather be james dean id rather be me bitch

I'm talking this and that, this and this  
Identical twins on me that's a sister act  
U like riff and raff but that's piss and trash  
I'm at the top of the game like aristocrats  
Got a vision and I'm gonna finish it  
Watch all these haters go beg for their innocence  
U talking shit there will be no forgiveness  
Writing in permanent ink on the internet  
Swallow ur words never assume  
People keep talking cuz that's what they do  
As long as they talking bout me and not talking bout u  
Let's let the talking resume  
Lets just assume u jealous of me though,  
No necesito amigos im all on my own like a free throw  
Bout to make white girl money with burritos  
\*shouts to chipotle, shouts to chipotle\*

Shit so hot that you gotta rewind it, new york citys finest  
On the diamond, I'm NOLAN RYAN when I wind up, u strike out  
And I'm making hits without even trying theres no denying we making n  
oise like a siren and every hungry mothafucka want a little piece  
But fall back homie when I kill it on these beats

Got a shorty in the west and a wifey in the east  
bitches just visit me after my shows, all of their clothes go invisibly  
Just like a cloak, homieaint talking no wizardy  
best rapper out there I mean that shit literally
