

# So Much Closer

Hoodie Allen

I need you so much closer,  
I need you na na now.  
I need you na na now.

I need you so much closer,  
I need you na na now.  
I need you na na now.

I know we got a ways to go, but lately I've been feeling like  
we're so much closer.  
I don't wanna wait no more, I'm hung up on you,  
I'm like a poster.  
And this is how I take the flow, 'cause we going  
up and down and they calling it a coaster.  
But I don't want to take it slow, I'm doing  
all the shit that I thought we supposed to to to to let you know  
that this is real, and I mean it.  
Take you to an island, but no, not Revis.  
Gotta steal your heart and you know I'm not leaving even  
if I foul up, never will I ref that.  
We've been cookin' up this cam like a meth lab.  
All the other people, never would I stress that,  
'cause you a cutie and I need you i my death cab.

I need you so much closer,  
I need you na na now.  
I need you na na now.

I need you so much closer,  
I need you na na now.  
I need you na na now.

I know we got a ways to go, but lately I've been feeling like  
I'm chasing planets.  
and you never change your clothes, but you always  
seem to go and change your status.  
So I'm just tryna let you know that its so unneeded baby,  
'cause you the baddest.  
But I don't want to take it slow, you drive  
me like ford is-automatic.  
I-i-i-it might mean if you my addiction then I just feen.  
and ever since the day you've been likin' me,  
I'm assembling these lines like a height machine.  
No kathy lee, we don't need a sweatshop,  
'cause every time we drop a track, people get hot.  
And I've been aiming for the top like a headshot,  
even when aiming for your heart was my best shot.

[Chorus / Hook x4]

[Rocky Business]

I'm not saying I wouldn't ever do it again,  
But I hope that you'll be there when I open the door.  
And I swear that I'm trying hard to call you a friend,  
but I'm sorry I can't wait no more more more more.  
I'm sorry I can't wait no more more more more,  
I'm sorry I can't wait no more more more more.

I'm sorry I can't wait, oh what the hell I sayin',  
you know that I would wait because...

I need you so much closer,  
I need you na na now.  
I need you na na now.

I need you so much closer,  
I need you na na now.  
I need you na na now.
