

My Caravan

Hoodoo Gurus

My caravan
Is far from home.
I seek a path to parts unknown.
My caravan
Hides from the sun.
By moonlit night my journey's done.

Your smallest wish is my command,
My caravan.

Ships in the night.
Ships of the sand.
The camels in my caravan.
May Allah smile
Upon your land
And safely guide my caravan.

His smallest wish is our command.
My caravan.
I build my dreams on shifting sand
My caravan
