

I'm so sick  
You fucking pigs  
Putting strains on my life  
Spreading all your fucking threats  
Just a bunch of fucking lies  
You're just a fucking cop no better than me  
You're my fucking enemy  
Blow off your fucking head  
A kick to the face  
You're a pussy with a badge you fill me with hate  
Blow off your fucking head  
A kick to the face  
You're just a pussy ass cop
