

Blood Wars

Hoods

Every beating built my strength now you cower to my hate
One with no future I dissolve the one who forces pain you must
fall
You want the truth you live a lie with pain vengeance and beat
downs
You talk big led to false hope you led you lied just a fucking
joke
I trusted you full of shit I gave you took you lied now you di
e
From our first breath the first emotion's pain pain is addicti
on's my slave
From our first breath the first emotion's pain now you die
