

Dont Fight Lets Party Tonight!

Hoods

Excuse me - Scumbag!

Saturday night and we're ready to go
Grabbed some 40's on the way to the show
Parking lot pimpin' everything's all right
Slammed a pint of jack and we're ready to fight!

Don't fucking fight - lets party tonight!
If you're straight edge don't worry, hey, i'll buy you a sprit

Don't fucking fight - lets party tonight!
Fuck it!

Saturday night and we're ready to go
Grabbed some 40's on the way to the show
Parking lot pimpin' everything's all right
Took a gram up my face and i'm up all night

Don't fucking fight - lets party tonight!
If you're straight edge - don't worry, i'll buy you a sprite!
Don't fucking fight - lets party tonight!
