

Lies

Hoods

What you said i believed - words led me astray
lies of friendship - you let me down
a hypocrites truth always the same
LIES - LIES - LIES - LIES - LIES
you motherfucker - you're the next on your list to deceive
your life is worthless - hallowed cries i fail to believe
force fed me your fucking lies
words i'll never believe
force fed me your fucking lies
words i'll never believe
force fed me your fucking lies
words i'll never believe
force fed me your fucking lies
words i'll never believe
