

# Amore

The Hooters

Hey!

I come awake fallin' down in the sheets  
They come unwinding alive in the heat  
The music plays now my love is complete

Whenever you say Amore  
Merci mon cherie (Amore)  
Bonjour por favor  
Gracias seniorita

We kiss and run like two thieves in the night  
Afraid of losing the thrill of the fight  
Two busy bees buzzing down to the light

Whenever you say Amore (Amore)  
Merci mon cherie (le amour)  
Bonjour por favor (Amore)  
Gracias seniorita

Whenever you say Amore  
Whenever you say Amore  
Whenever you say Amore

We'll swim the oceans that keep us apart (We'll swim the ocean)  
Climb every mountain that leads to your heart (We'll climb so high)  
Sex is a science but love is an art

Whenever you say Amore (Amore)  
Merci mon cherie (that's nice)  
Bonjour por favor (Amore)  
Gracias seniorita

Whenever you say Amore
