

Driftin' Away

The Hooters

You better come in, baby
Outside it's pouring rain
My heart is beating faster
I know you feel the same

When you call my name I dive into you
Kiss me one more time I slide into you
Look into my eyes I'm dying for you, baby, oh baby

We could be driftin' away
In the middle of the day and into the night
There's nothing I'd rather do
Than doing nothing with you
We could be driftin' away

I feel you hesitating
Don't even wonder why
You gotta trust this feeling
Don't be afraid to fly

Then you call my name I dive into you
Kiss me one more time I slide into you
Look into my eyes I'm dying for you, baby, oh baby

We could be driftin' away
In the middle of the day and into the night
There's nothing I'd rather do
Than doing nothing with you
We could be driftin' away

Dream, dream away
We could be driftin' away
