

# Fightin' On The Same Side

The Hooters

Here we are on the battlefield  
A civil war is all each other feels  
Oh yeah, you say blue and I say gray  
But we know love ain't love if it fades away  
Oh, don't let it fade away

Just leave these troubles behind  
And break down all the battle lines  
Open up your eyes girl  
We're fightin' on the same side

Oh, here we are on the battlefield  
Wounded by the words that cut so deep  
Oh yeah, well I can't give if you won't take  
Maybe we're just afraid that it's too late  
Oh, well I know it's not too late

So leave these troubles behind  
And break down all the battle lines  
Open up your eyes girl  
We're fightin' on the same side

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
(Come on baby)  
Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
(Yeah each and everyday)

We're both soldiers of the heart  
Fightin' for the dream that fell apart  
Oh yeah, we both know this war is real  
Surrender to the way we used to feel  
Oh, I miss the way we used to feel

So leave these troubles behind  
And break down all the battle lines  
Open up your eyes girl  
We're fightin' on the same side  
Open up your eyes girl  
We're fightin' on the same side  
We're fightin' on the same side

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
(Come on baby)  
Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
(Yeah each and everyday)

Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
(Just open up your eyes)  
Monday, Tuesday, Wednesday, Thursday, Friday, Saturday  
(We're fightin' on the same side)

Just open up your eyes, girl  
We're fightin' on the same side  
Just open up your eyes  
We're fightin' on the same side
