

Johnny B.

The Hooters

It's a sleepless night she's calling your name
It's a lonely ride I know how you want her
Again and again you're chasing a dream yeah
But Johnny my friend she's not what she seems

Johnny B how much there is to see
Just open your eyes and listen to me
Straight ahead a green light turns to red

And when you drive her home and she's sittin' real close
Does she make you weak well that's the way that she wants you
You're strung out again She's taken you over
You've been here before why can't you let go

You can drive all night and you know she'll be waiting
To love you again her kiss is her poison
Forever inside you wherever you go
