

Mr. Big Baboon

The Hooters

A great bear in the woods
He wants all he sees
From the snakes in the grass
To the chimpanzees
We all know it ain't fair
Well, it's a jungle out there

So go, bang your drum
Mr. Big Baboon
What monkey see
Monkey will do
Boom, boom, boom, boom
Mr. Big Baboon

Mad dog on the prowl
Sees the bear in the trees
They can never be friends
They're natural enemies
So you better beware
Well, it's a jungle out there

So go, bang your drum
Mr. Big Baboon
What monkey see
Monkey will do
Boom, boom, boom, boom
Mr. Big Baboon

Mr. Big Baboon
Sees the dog and the bear
It's a three way tie
It's a stalemate there
Facin' off eye to eye
Well, it's a jungle out there

So go, bang your drum
Mr. Big Baboon
What monkey see
Monkey will do
Boom, boom, boom, boom
Mr. Big Baboon

So go, bang your drum
Mr. Big Baboon
You can all join in
Monkey see monkey do
Boom, boom, boom, boom
Mr. Big Baboon
