

Nobody But You

The Hooters

My wicked ways have drank the wine of the world and its delight
s

But I've never tasted anything as sweet as you tonight
I've driven down these boulevards and I've found Love's Avenue

But of all I've seen well I learned one thing
I don't want nobody but you

Your elegant interior had me fooled I must admit
But when it comes to comfort there's no finer place to sit
You've driven me to doing things no honest man would do

But I've never seen such a fine machine
I don't want nobody but you

Well I'm lying in your flower bed, I'm drunk on your perfume
Just waiting for the seeds I planted once to come in bloom
You ravage me, you savage me and you know I love it too

So away we fly just you and I
I don't want nobody but you
I don't want nobody but you
