The Hooters

Hush little baby don't cry like that God's gonna buy you a Cadillac He's chosen you to do his will You can spread the word in your coupe de ville

So jump in the river and learn to swim God's gonna wash away all your sins And if you still can't see the light God's gonna buy you a satellite

Look to the heavens and see it shine Heals the sick and leads the blind Tune it in and hear it say It's countin' down to judgment day

So jump in the river and learn to swim God's gonna wash away all your sins And if you still can't see the light God's gonna buy you a satellite

Hey satellite man your time has come Your word received by everyone And should you fall, well that's ok You love the ones that you betray

So jump in the river and learn to swim God's gonna wash away all your sins And when at last you see the light God's gonna buy you a satellite
