

## Drowning

Hootie & The Blowfish

Trouble with the world is we're too busy to think about it, all  
right  
Why is there a rebel flag hanging from the state house walls?  
Tired of hearin' this shit about heritage not hate  
Time to make the world a better place  
Why must we hate one another?  
Well no matter what we gotta live together  
Just that you don't look like me, tell me what do you see  
When we pass on the street what do you wanna see  
P.E.'s coming is all I gotta say  
Wanna turn and run away  
They're just telling you how they see it  
Right or wrong they don't care, you wish that they would quit

Drowning in a sea of tears  
Hatred trying to hide your fears  
Living only for yourself  
Hating everybody else  
Cause they don't look like you  
Nanci singing it's a hard life wherever you go  
About some fat racist living in Chicago  
Trying to teach his kids to hate everyone

Well tell me why is that something you wanna teach your son?  
Why must we hate one another?  
When the people in the church, they tell me you're my brother  
You don't walk like me, ... you don't talk like me, saying  
Go back to Africa, I just don't understand

I'm trying to be someone that he could look up to, but  
When I walk down the street, tell me what do you see  
I'm a man, I'm a man, I'm a man  
No I'm not like you  
Why do you hate me so  
I don't know, I don't know, I don't know  
Hating everybody else cause they don't look like you
