

Hold On

Hootie & The Blowfish

Only heartbreak on the 6 o'clock news
They ought to call it the 6 o'clock blues
Seems like this whole world is going wrong
There ain't no kind of love song

We gotta hold on, we gotta hold on
There ain't nothing that a little love can't get us through
We gotta hold on, when it feels like hope is gone
There is a remedy for you and me
We gotta hold on to each other, yeah

People say, let it go
That's just the way it is, don't you know
But I don't see how it can do any harm
To keep reaching out with open arms, yeah

We gotta hold on, we gotta hold on
There ain't nothing that a little love can't get us through
We gotta hold on, when it feels like hope is gone
There is a remedy for you and me
We gotta hold on to each other, yeah
Oh to each other now, now

Everybody (everybody), understands (hold on)
Everybody needs a helping hand
Oh, everybody, yeah (everybody)
They understand now everybody needs, everybody needs a helping
hand, y'all

We gotta hold on, we gotta hold on
There ain't nothing that a little love can't get us through
We gotta hold on, when it feels like hope is gone
There is a remedy for you and me
We gotta hold on to each other (hold on), yeah (hold on)
Oh to each other, yeah
Hold on (hold on), hold on (hold on)
Oh to each other, yeah
