

## Michelle Post

## Hootie & The Blowfish

I met a girl just the other day  
Stop to talk she had a lot to say  
She told me all about her politics  
Then she told me something that made me sick

Michele Post knows all about it  
But she don't want just to talk about it  
She got everything that she believes in  
She's got something and she wants let me in
