

The Rain Song

Hootie & The Blowfish

I don't think about us much anymore
Frankly, the topic has become a bore
And you don't come up much in my conversation
And I don't think about you on vacation
Oh, but when it rains
When it rains, when it rains
That's when I remember
That's when I remember
I remember you, I remember you
I don't think about you when I'm sleeping
Oh, it doesn't even cross my dream like mind
And I don't think I see your face through the curtain
Hell, I don't even miss you half the time
Oh, when it rains
When it rains, when it rains
That's when I remember
Yeah, that's when I remember
I remember you, I remember you
Rain, rain, go away
I'm doing fine as long as you stay
Locked up inside a cloud of grey
Rain, rain
Rain, rain, rain
Rain, rain
Rain, rain
'Cause when it rains
Yeah, when it rains, when it rains
That's when I remember
Yeah, that's when I remember
I remember you, I remember you
That's when I remember
The only time I remember
I remember you, I remember you
