

# Time

## Hootie & The Blowfish

1. Time, why you punish me  
Like a wave crashing into the shore  
You wash away my dreams  
Time, why you walk away  
Like a friend with somewhere to go  
You left me crying

Can you teach me about tommorow  
and all the pain and sorrow, running free  
Cause tomorrow's just another day  
D Em etc  
And I don't believe in time

2. Time, I don't understand  
Children killing in the streets  
Dying for the color of a rag  
Time, hey there red and blue  
Wash them in the ocean make them clean  
Maybe their mothers won't cry tonight

Will you teach me about tommorow  
When all the pain and sorrow, running free  
But tomorrow's just another day  
And I don't believe in

R: Time is wasting  
Time is walking  
You ain't no friend of mine  
I don't know where I'm going  
Think I'm out of my mind  
Thinking about time  
If I die tomorrow yeah  
just lay me down to sleep

Time is wasting  
Time is walking  
You ain't no friend of mine  
I don't know where I'm going  
Think I'm out of my mind  
Thinking about time

3. Time, you left me standing there  
Like a tree growing all alone  
The wind just stripped me bare, stripped me bare  
Time, the past has come and gone  
The future's far away  
But now only lasts for one second, one second

Can you teach me about tommorow  
And all the pain and sorrow, running free  
Cause tomorrow's just another day  
And I don't believe in

R: Time is wasting  
Time is walking

You ain't no friend of mine  
I don't know where I'm going  
Think I'm out of my mind  
Walking, wasted  
You ain't no friend of mine  
I don't know where I'm going  
Oh no, no, no, Do without courage and  
It's just wasted, wasted, wasted time  
Oh..

Ooo.....  
Time, why you punish me?
