(Badaboum) Hey ho, t'es tombé sur un salop  
(Patatras) Qui pas c'est surement celui de trop!

(Badaboum) Baby, don't you know?  
You gotta suck it up and let him go.  
He calls you baby, but can't you see?  
You're gonna wind up in a mess like me.

No, you didn't understand,  
He's an innocent man.  
Nothing to do with your sinister plan.  
He's under my thumb.  
No, you know that's a lie,  
He won't be happy till he makes you cry

(Patatras) Qui pas c'est surement celui de trop!

(Badaboum) Baby, don't you know?  
It really hurts to see you suffer so.  
He calls you baby, but can't you see?  
You're only living in a fantasy.

No, you misunderstood,  
When I said he was cruel.  
I simply ment he does me like you never could.  
When I'm under his thumb and he's making me..  
(Male)
