Did you ever think of me  
As your best friend

Did I ever think of you  
I'm not complaining

I never tried to feel  
I never tried to feel this vibration  
I never tried to reach  
I never tried to reach your eden

Did I ever think of you  
As my enemy

Did you ever think of me  
I'm complaining

I never tried to feel  
I never tried to feel this vibration  
I never tried to reach  
I never tried to reach your eden
