

# Happiness

Hooverphonic

We're on our way to next train station  
Passing fields, my mind is wondering of,  
They don't mean much to me  
Happy is a silly word if you  
Think about all the joy we had  
There's so much left to see

Is happiness a word without meaning?  
Heaven a place in utopia?

But in the end, we keep on moving  
Reverse is not, it's not part of our style  
Forward is the only way

Is happiness a word without meaning  
Heaven a place in utopia?

We cannot shout silently  
We shouldn't run away so slowly  
There's so much left for us to do  
We got to figure out  
If happiness has no meaning  
If heaven is part of utopia

If happiness has no meaning  
If heaven is part of utopia,  
Utopia, utopia, utopia, utopia
