

# Identical Twin

Hooverphonic

Everybody wants him he's so popular I wish you were him you're  
the next best thing you're the shadow of what I know I never go  
nna get

When you say love, I hardly know the difference it's close enou  
gh  
I can forget the distance

Hey identical twin I know you won't be the same under the skin  
make me long for him more it's only because of you and only you  
I'm his at all

When you say love, I hardly know the difference it's close enou  
gh  
I can forget the distance when you say love, I hardly know the  
difference

It's because of you that I want him it's only because of you id  
entical twin identical twin

When you say love, I hardly know the difference it's close enou  
gh  
I can forget the distance when you say love, I hardly know the  
difference
