

## In Wonderland

Hooverphonic

I'm painting roses  
Heavy rain  
Colours run  
You call my name  
I can't hear you  
Way up high  
Twinkle twinkle  
Stars don't cry  
I will be heard  
I will be seen  
When I am queen  
And what I've heard

And what I've seen  
Will all make sense  
When I am queen  
Mirror mirror  
On my wall  
Tell me how  
And when to call  
The looking glass  
That shows no pain  
In Wonderland  
We're all the same
