

Nr. 9

Hooverphonic

Saw her first a few months ago
Spacing in Vienna - Oversea cargo

Saw her in the mirror
She has a stupid name
Maybe I'm too honest
Friendly in an arrogant way

Saturday evening she gave me her number
I've lost it already she awakens my hunger

Saw her in the mirror
She has a stupid name
Maybe I'm too honest
Friendly in an arrogant way

Saw her first a few months ago
Spacing in Vienna - Oversea cargo
