Opium

Hooverphonic

Why I wonder why you sigh? There's no reason There's no reason for you to cry

Don't, don't believe your own lies There's no reason There's no reason for you to sigh

Music, music is opium for free Try a little, try to consume me Music is Prozac for free Don't get stuck in greed

Why, why don't you dare to speak? Silence, silence will tighten our ... Happy, happiness is not for lease Silence, silence will tighten our ...

Music, music is opium for free Try a little, try to consume me Music is Prozac for free Don't get stuck in greed

Music, silence, happy There's no reason Music, silence, happy There's no reason, don't
