

The Eclipse Song

Hooverphonic

Hey do you know that the sun was gone for a while
But I Ain't ever gonna love you

Who covered it up?
Made it dark for a while
But I Ain't ever gonna love you

Been here before
I closed the door
And I knew it the moment the sun dissapeared
But I Ain't ever gonna love you

Hey do you know that the sun was gone for a while
But I Ain't ever gonna love you

Who covered it up?
Made it dark for a while
But I Ain't ever gonna love you

Been here before
I closed the door
And I knew it the moment the sun dissapeared
But I Ain't ever gonna love you

And I knew it the moment the sun dissapeared
But I Ain't ever gonna love you
No I Ain't ever gonna love you
No I Ain't ever gonna love you
No I Ain't ever gonna
