

Tomorrow

Hooverphonic

It all comes down to winning but defeat is no shame
and why do you lose interest when there's nothing more to gain
because evil attracts but our love will be a fact
tomorrow

Because time is up
and so are we
but still there's a chance to avoid defeat
tomorrow

Just a little more effort do try to succeed
there's nothing in life that's impossible to beat
because evil attracts but our love will be a fact
tomorrow
