

# Wait For A While

Hooverphonic

We gotta wait for a while  
Wait for a while but we cant live in denial  
Because its almost perfect  
Wait for a while  
Wait till the jigsaw falls into place but right now

I can't wait any longer  
Where's lighting there is always thunder  
Sometimes it makes me wonder  
If it wouldn't be better to...

Wait for a while  
Wait for the right time to unleash our desire

Almost is perfect so  
Wait for a while  
Sometimes the waiting makes it more worthwhile

Move on  
I want to move on  
Do you want to move on  
Do we have to  
Wait for a while or  
Should we stop thinking and follow our heart
