

Who We Are (Saturday Night Mix)

Hope Partlow

I don't wanna put on my make-up
Just like every girl in a magazine
That's not who I am when I wake up
That's not who I wanna be

There's so much more to me than meets the eye
In this life, I know one thing

It doesn't really matter what you wear
Let the people stare
Cause we are who we are who we are who we are
It doesn't really matter what car you drive
It's good to be alive
Cause we are who we are who we are who we are

Tell me, baby do I look like the real thing
Or would you change the color of my eyes?
Tell me why my televisions filling me with lies

It doesn't really matter what u wear
Let the people stare
Cause we are who we are who we are who we are
It doesn't really matter what car you drive
It's good to be alive
Yeah we are who we are who we are who we are
Who we are

There is beauty on the inside
Yeah you're beautiful, alright

Oh it doesn't really matter what you wear
Let the people stare
Cuz we are who we are who we are who we are
It doesn't really matter what car you drive
It's good to be alive
Yeah, we are who we are who we are who we are

Doesn't really matter what you wear, let the people stare
It's good to be alive, good to be alive
Doesn't really matter what car you drive, it's good to be alive
Yeah we are who we are who we are who we are
It's good to be alive, good to be alive
Who we are
