

# Who We Are

Hope Partlow

I don't wanna put on my make up  
Just like every girl in a magazine  
That's not who I am when I wake up  
That's not who I wanna be

There's so much more to me than  
Meets the eye in this life  
I know one thing

It doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are  
Who we are, who we are

It doesn't really matter what car you drive  
It's good to be alive  
Yeah, we are who we are  
Who we are, who we are, who we are

Tell me, baby, do I look like the real thing  
Or would you change the color of my eyes  
Tell me why my television's filling me with lies

It doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are  
Who we are, who we are

It doesn't really matter what car you drive  
It's good to be alive  
Yeah, we are who we are  
Who we are, who we are

There is beauty on the inside  
Yeah, you're beautiful, alright

Though it doesn't really matter what you wear  
Let the people stare  
'Cause we are who we are  
Who we are, who we are

It doesn't really matter what car you drive  
It's good to be alive  
Yeah, we are who we are  
Who we are, who we are

It doesn't really matter what you wear  
Let the people stare  
It's good to be alive, good to be alive

Doesn't really matter what car you drive  
It's good to be alive  
(Who we are)  
Yeah, we are who we are  
Who we are, who we are  
(Who we are)

It's good to be alive, good to be alive  
When we are who we are
