

## Consider Me Alive

### Hopes Die Last

I can see your perfect world,  
Trying to keep it alive.  
I don't know if I've been there before,  
But of that place I've dreamt for sure.

I can see you  
And your white window,  
Your hands heading too.  
I'll keep save, no promises.

I can't let go,  
I can't let go.

And I want to be that for sure,  
You'll never see me falling down.  
And I can't live in this moment,  
I can feel it.

I gave my life away,  
So yours will be the best one.  
I know why I've been there before,  
Cause I'm not alone anymore.

I can't let go,  
I can't let go.

And I want to be that for sure,  
You'll never see me falling down.  
And I can't live in this moment,  
I can feel it.

Consider me alive,  
Consider me alive,  
Consider me alive,  
Consider me alive,  
Consider me alive,  
Consider.
