

Promises

Hopes Die Last

You got me so wild,
how can I ever deny.
You got me so high,
si high I cannot feel.

The fire and you keep telling me,
telling me that you'll be sweet,
and you'll never want to leave side.

As long as I don't these...

Promises and they still feel
all so wasted on myself.
Promises and they still feel
all so wasted on myself.
Promises and they still feel
all so wasted on myself.
Promises and they still feel
all so wasted on myself.

You got me so wild.
Why should I so surprised?
You got me so high.
Don't you see in my eyes?

And keep you telling me,
telling me that you'll be sweet,
and you'll never wan't to leave my side.

As long as I don't break these...

Promises and they still feel
all so wasted on myself.
Promises and they still feel
all so wasted on myself.
Promises and they still feel
all so wasted on myself.
Promises and they still feel
all so wasted on myself.

And they so still wasted on myself,
and they so still wasted on myself.

They are so wasted on myself,
they are so wasted on myself,
they are so wasted on myself,
they are so wasted on myself,
they are so wasted on myself,
they are so wasted on myself,
they are so wasted on myself,
they are so wasted on myself.

Promises and they still feel
all so wasted on myself.
Promises and they still feel
all so wasted on myself.
Promises and they still feel

all so wasted on myself.
Promises and they still feel
all so wasted on myself.
