

Some Like It Cold

Hopes Die Last

I tried to do my best
but nothing seems to be alive
cause everytime I speak
I see your walls falling
and now
when I come around you all are
on your knees
So, what can you say?
did I fail?

You know that
I try to do the best I can
but you don't care
and I swear

I swear I'll never be like you
and that's the truth
cause I can see
that you are playing
hide and seek
with all my dreams

Never met no one that
hates me like you do
but hey, I can understand it
cause everytime I speak
I see your walls falling
but now I dare
so show me how
to play this game
you know that
I'm trying to be myself again
but you don't care
and I swear
I swear i'll never be like you
and that's the truth
cause I can see
you are playing hide and seek
with all my dreams
I'll wake up
I'll wake up
so try to hit me now
try to steal myself again
I try to do the best I can

You know that
I try to do the best I can
You know that
I'm trying to be myself again
but you don't care
and I swear
I swear I'll never be like you
and that's the truth
cause I can see
you are playing hide and seek
with all my dreams
