

# Keep My Picture!

HorrorPops

I'm leaving a note for you.  
Surprise I'm leaving you behind,  
I've made up my mind.  
It's funny how, funny how,  
funny how it feels so good writing something like this.

You, you can keep my picture!  
Hang it on the wall,  
I don't live here no more.  
That's all your gonna get from me!  
You could have stop being a cheater, stop being  
deceiver,  
It's over! ya.

I had so much to show, so much to give  
But you never had the time  
or the will to see I was right there.  
So,

You, you can keep my picture!  
Hang it on the wall,  
I don't live here no more.  
That's all your gonna get from me!  
You could have stop being a cheater, stop being  
deceiver,  
Were Over!

You, you can keep my picture!  
Hang it on the wall,  
I don't live here no more.  
That's all your gonna get from me!  
You could have stop being a cheater, stop being  
deceiver,  
It's over!

yeah you can keep my picture!  
Keep my picture,  
keep my picture,  
Yeah you, you can keep my picture,  
keep my picture,  
Keep my picture!
