

Private Hall of Shame

HorrorPops

Hey! Hey!
Who said I was indestructible?
I can cry, but I wasted enough tears on you,
Yeeaahh! And Now, I'm out of your reach,
I'm not on your leash, Keep my heart checked,
Holding on to my last respects,
So I sing la la la la la la...

I hang, your picture in my Private Hall of Shame,
I must of been blind, completely out of my mind,
Yeeaahh! Now I, I think that all the love I had for you,
No more the abuse, Heeeyy! I'm over you!
Singing la la la la la la....
