We're losing altitude now
The engines fail
We're taking on too much flak
It's time to bail
We let this whole thing go to hell
Eject
At least we'll be far, far from
The flame of the wreck
Aww, heck

I will bid you all farewell
It seems we got shot down
Anyone who wants to say something should say it now
We're losing time, I do believe
I got no tricks left up my sleeve
At least we go like men
Yeah, we go like men

But it ain't over yet now
We're lost at sea
The sharks are circlin', skies darkenin'
And it's bothering me
I always hoped we'd get to be
Just be
But we'll be floating out in eternity
We'll see

I will bid you all farewell
It seems we got shot down
Anyone who wants to say something should say it now
We're losing time, I do believe
I got no tricks left up my sleeve
At least we go like men
Yeah, we go like men

I will bid you all farewell
It seems we got shot down
Anyone who wants to say something should say it now
We're losing time, I do believe
I got no tricks left up my...

Sometimes plane crashes Rise up from the ashes Just to happen again...
