

Champagne and Razor Blades

Hot Chelle Rae

Well, I've done everything that I
I know how to do
You're so magnetizing that
I can't seem to hide
From the way you pull me in
Well I can't push away
What I feel inside
So why, why do I try?

Look into my eyes
And tell me I, I'm alright with you

Champagne and razor blades
It's never cheap or safe
Poison in lemonade
It's bittersweet to taste
It keeps me coming back
It keeps me coming for more

You play hard to get
You're so careful, confident
You pretend I'm not your type
But I know that's a lie

Look into my eyes
And tell me I, I'm alright with you

Champagne and razor blades
It's never cheap or safe
Poison in lemonade
It's bittersweet to taste
It keeps me coming back,
It keeps me coming for more
Like diamonds and criminals
Not right but beautiful
Perfect and cynical
Highly unusual
It keeps me coming back
It keeps me coming for more

I'm dreaming that I'm wrapped up in you
Believing that we're so in love
It's magic, I don't wanna wake up
'Cause I can't get enough

Champagne and razor blades
It's never cheap or safe
Poison in lemonade
It's bittersweet to taste
It keeps me coming back
It keeps me coming for more
Like diamonds and criminals
Not right but beautiful
Perfect and cynical
Highly unusual
It keeps me coming back
It keeps me coming for more
