

# Recklessly

Hot Chelle Rae

I'm so obsessed  
Don't care how, dumb I look  
You must be bad cause you make me feel good  
The more I'm with you the more I'm hooked

Tonight I gotta confess  
The way you look in this light  
I can't catch my breath  
Feels like my world is on fire  
It burns in my chest  
Tell me you feel it too

We got nothing to lose  
Just touch me, the way that I touch you  
Love me, the way that I love you  
Recklessly,  
And give me everything

And baby,  
Touch me, the way that I touch you  
Love me, the way that I love you  
Recklessly,  
And give me everything

I'm trying to wake up and be beside you  
Been acting crazy so what if that's true  
You got me doing things I don't do  
Oh yeah

Tonight I gotta confess  
The way you look in this light  
I can't catch my breath  
Feels like my world is on fire  
It burns in my chest  
Tell me you feel it too

We got nothing to lose  
Just touch me, the way that I touch you  
Love me, the way that I love you  
Recklessly,  
And give me everything

And baby,  
Touch me, the way that I touch you  
Love me, the way that I love you  
Recklessly,  
And give me everything

All I want is you and me  
I want you recklessly  
I need you next to me  
Tonight

All I want is you and me  
I want you recklessly  
I need you next to me  
Tonight

Need me, the way that I need you  
Kiss me, the way that I kiss you  
Recklessly, and give me everything

And baby,  
Touch me, the way that I touch you  
Love me, the way that I love you  
Recklessly,  
And give me everything

All I want is you and me  
I want you recklessly  
I need you next to me  
Tonight

All I want is you and me  
I want you recklessly  
I need you next to me  
Tonight
