

In Cairo

Hot Hot Heat

Walking oh so slowly.
Don't know anybody.
Feels like I'm in Cairo.
Talking oh so quickly.
Please explain what they mean.
Feels like I'm in Cairo.
Taking matters too light.
How did this start a fight.
Feels like I'm in Cairo.
Why did I tie them tight?
Double knotted tonight.
I guess this must be Cairo.
Diamonds and brass hid behind painted glass in the heart of Cairo.
Diamonds and brass hid behind painted glass in the heart of Cairo.
Sinking in way too deep.
I won't care what they think once I've left for Cairo.
Thinking about it too hard.
Shouldn't take this too far or I'll end up in Cairo.
Diamonds and brass hid behind painted glass in the heart of Cairo.
Diamonds and brass hid behind painted glass in the heart of Cairo.

Walking oh so slowly.
Don't know anybody.
Feels like I'm in Cairo.
Talking oh so quickly.
Please explain what they mean.
Feels like I'm in
Taking matters too light.
How did this start a fight.
Feels like I'm in Cairo.

How did I find my way back in... Cairo?
