## **Ben Gurion**

Resurrect Ben Gurion Sign his release Give him the peace prize Then give him to me Make the desert bloom again Like it did once before Give me the blessing of New York City And a blank check from the CEO

There's plenty of space out there You could be anywhere Let my people go! It's all been settled now It woulda happened anyhow Let my people go!

Build the IDF a high-rise On Cortlandt Street And when they die They'll leave it to me We'll all have new lots And planned community And when we die They'll name it for me
