

## Reflex

## Hot Snakes

Reflex  
I seen it coming  
Reflex  
Coming to soon  
Reflex  
Laugh if you wanna  
Reflex  
It looks bad for you

Reflex  
Anticipation  
Reflex  
Anticipate  
Reflex  
Anticlimatic  
Reflex  
Always too late

Whatever is coming  
Ready or not  
Reaction's slow  
Reflexes shot

Everyone I know of  
They all see the same  
Just watch the reversals  
Sucked in the jets  
Sucked down the drain
