

## Alkaline Trio - Queen Of Pain

Hot Water Music

There's a fire forming not too far from here.  
Out on the east coast maybe it resides in you my dear.  
We're worn out on all courtesy  
We've made our curtain calls.  
Like vampire bats deprived of blood  
Into the new york city night we crawl.  
And you've got a funny way  
Of showing off your bathroom surgery.  
You said you were just cooling down  
From plans of leaving me.  
There's something I should tell you  
For we may not have much time..  
I've never met arms like yours.  
And the stars at night are big and bright  
Deep in your eyes miss vincent.  
You told me once I made you smile  
We both know damn well I didn't.  
I'm not much of a jester  
But I'd test poison food for you your majesty.  
You're royal blue.  
I'm loyalty, my king of pain there's a hard rain falling,  
Flooding your attic it's clear.  
I can't put out the fire which resides in you my dear.  
There's something I should tell you  
For we may not have much time.  
I've never seen scars like yours.
