

The End Of The Line

Hot Water Music

It hurts so bad inside
Dialing into the payphone that's outside of the show
Cause everywhere I go my head is just a wreck
And it's no secret I've been dealing with,
But all I know is that I want to go

To the end of the line but it's obviously time
To stop this empty train and let somebody in.

A hundred thousand nights
Always moving to finally feel alright
But so unsure if it will endure

To the end of the line but it's obviously time
To stop this empty train and let somebody in
Cause even here tonight where I'm so wound up inside, I know th
at it's time.
